### Approval of Minutes

### Old Business:

- There has been no reply as yet to John Passiglia's letter to the mayor about an interactive Parking Garage kiosk.
- Tim Blagg presented a map, a list of possible sign sites and a draft letter to Sandri Energy asking for funding for the historic plaque project, whose cost is estimated at \$5,500. John Passiglia is getting approval for materials donations and fabrication work by the Tech School, and also broaching the subject with the town's DPW. There was discussion of other possible donors, as well as the necessity of informing the Mayor and getting permission from sign site owners. Bob Moorhead produced a possible design template which seems to fit the bill perfectly. Tim Blagg will follow up with Sandri after the letter is vetted by Terry and John and sent.
- No progress yet on possible Asher Benjamin Award recipients.
- Peter Miller was assured that the records of the Commission are safely housed at the Planning Office.

### New Business:

- The idea of a local Historical District was brought up by Bob Moorhead and was discussed, but no action was initiated.
- Terry Ruggles and John Passiglia reported that they have apparently been dropped once again from the list of those notified about demolition permit applications. They will see about getting back on the circulation list, as was agreed by the Planning Department.

- **Adjourned at: 6:25 p.m.**

Respectfully submitted: Tim Blagg, Secretary
